

Héritage™

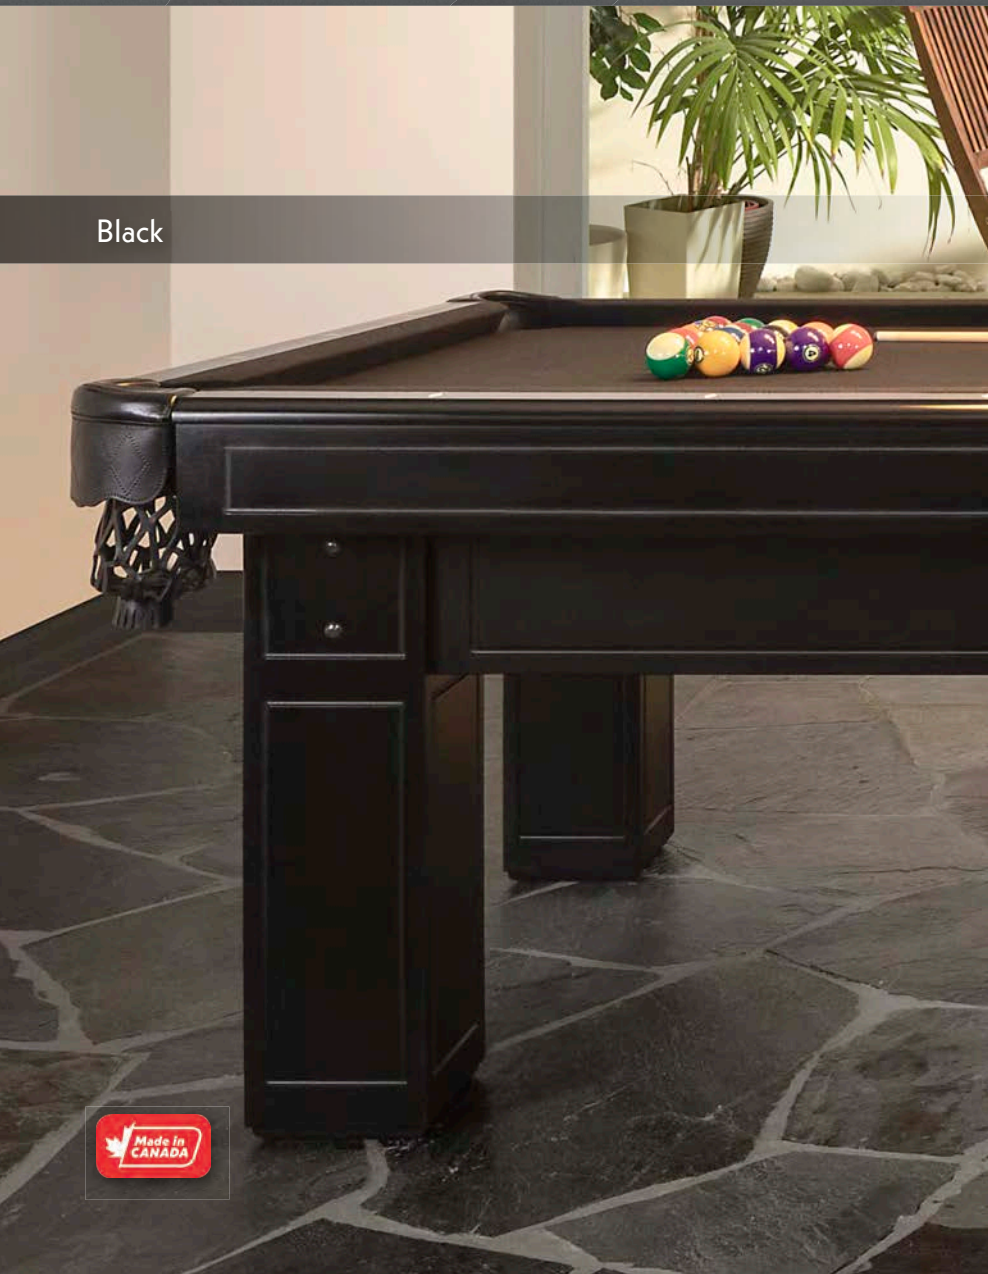

THE VIRTUE OF SIMPLICITY

Built with solid white birch rails, the *Héritage* has a classic demeanour and solid stately look. The legs and frame are elegantly detailed with routing and the table incorporates **CANADA BILLIARD**'s exclusive leg levelling system that allows for better adjustment of the table. This billiard has been created with nothing but the highest of quality components and all for a surprisingly low price. It's the perfect center piece for your home game room.
